

Conference Invitation Letter

INCUVET Final Conference

Dear Sir, Madam,

We are pleased to invite you to our INCUVET final conference that will be held on the 9th of June at the EVTA premises in rue de la Loi 93-97, 1040 Brussels (Belgium).

The EU co-funded project IncuVET (2014-2016) aims to support the innovative role for VET schools as local/regional hubs for entrepreneurship, beyond the mere provision of start-up advice. VET schools are in a position to stir a multi-stakeholder process where local authorities, employers, start-ups, teachers and students come together to shape the way entrepreneurship education is embedded in the curriculum and learn from each other in a collaborative way, with valuable impact on the schools, the students, the market and the community as a whole.

We would be delighted to have you present at this final conference to exchange ideas, experiences and practices on entrepreneurial education in Europe and the role of VET schools in this respect.

Registrations are open! Please [fill in the form](#) at latest by the 3rd of June.

The 2016 IncuVET final Conference in Brussels will be a memorable event. We look forward to making this a learning opportunity at the conference, but also offering a destination where you can unwind and enjoy yourself before returning to work.

We look forward to see you there!

Warm Regards,

The INCUVET project consortium
